### **\*How is "support" & "collaboration" defined for an sDiv project?**

The iDiv member(s) are considered as an integral collaborator(s).

You as iDiv member should be involved in the development (and writing) of the proposal and its underlying ideas. Make sure to discuss your ideas and input with the PIs and are incorporated in time.

Please be aware that the planned collaboration needs dedicated time, expertise and willingness to contribute significantly from the beginning of the project to the end.
