Welcome to the sDiv full proposal application page!

This form is for applications under the Joint International Call for Synthesis Proposals.

Full proposal Deadline: **27 March 2025 (11:59 PM CET)**

This form is intended to facilitate automatic processing. For a lot of answers, you may just copy and paste from your proposal PDF. Please enter any information in the given format and refrain from using special characters or making additional remarks.

Questions marked with a red star are mandatory.

If you wish to pause completing this form and resume later, click on the "save and break" button at the end of this page. Make sure to fill in all mandatory questions with at least one character - *otherwise, it will not save*.

To **avoid text losses** due to an interrupted internet connection, please save periodically, if completing this form takes you a longer time.

If you are facing any difficulties during the application process, please contact us via sdiv@idiv.de!

Final funding approval for 2026 and beyond is not yet 100% guaranteed and is subject to final approval of iDiv funding, which is expected in the first half of 2025.

Project code sDiv provided in the decision PDF on the successful pre-proposal (e.g. JISC1.08):

Please enter the title of your project:

Acronym of your project - should start with a small "s" (e.g. "sImpact'):

Project summary (copy from section 1 of the proposal):

Which full or associated iDiv member(s) is/are involved in the project?

Do not list iDiv employees that do not have the member status. Find a list of all iDiv members here: https://www.idiv.de/en/groups_and_people/members.html

Format: First name first and last name last, no commas, no title, no additional information, use semicolon as separator if there is more than one member involved.

Email address of the involved iDiv member(s):

Format: Just one address per member, use semicolon as separator if there is more than one member involved, use the same order as in previous question, so member and address can be matched.

Name all iDiv personnel involved in your project in order to help us identify potential conflicts of interest.

Format: First name first and last name last, no title, no additional information

Name of first PI:

Format: First name first and last name last, no commas, no title, no additional information (e.g. Marten Winter)

Email address of first PI:

Format: Enter one email address only.

Current home institute of first PI (if not applicable, enter latest home institute):

Homepage of first PI:

Name of second PI (if applicable):

Format: First name first and last name last, no commas, no title, no additional information (e.g. Marten Winter)

Email address of second PI (if applicable):

Format: Enter one email address only.

Current home institute of second PI (if applicable):

Homepage of second PI (if applicable):

Name of third PI (if applicable):

Format: First name first and last name last, no commas, no title, no additional information (e.g. Marten Winter)

[ ]

Email address of third PI (if applicable):

Format: Enter one email address only.

[ ]

Current home institute of third PI (if applicable):

[ ]

Homepage of third PI (if applicable):

[ ]

Give a preliminary list of participants who will presumably join your group in the following format (one participant per line):

full name; webpage; [E/S]; [M/F/D]

where E = early career participant, S = senior scientist, M = male, F = female, D = diverse

Example:
Jane Doe; http://www.jane-doe.sdiv.de; S; F
Jon Doe; http://www.jon-doe.org; E; M

Omit any other usage of the semicolon except as separator.
Hint: You may compile the list in Excel, save it as a CSV file, open it in a text editor and paste its content in the text box below.

[ ]

With whom of the project participants have you already collaborated before (e.g. joint co-authorships, supervision or mentoring relationship, joint proposals, etc.)?

How many meetings are you applying for (preferably 3)?

Duration of <u>first</u> meeting in days (preferably 5):

Duration of <u>second</u> meeting in days (preferably 5):

Duration of <u>third</u> meeting in days (preferably 5):

Please propose several potential starting dates for the <u>first</u> meeting you are applying for. Please check the sDiv working group meeting calender to find free slots.

Format: MM/YYYY; MM/YYYY; ...

Please propose several potential starting dates for the <u>second</u> meeting you are applying for.

Format: MM/YYYY; MM/YYYY; ...

Please propose several potential starting dates for the <u>third</u> meeting you are applying for.

Format: MM/YYYY; MM/YYYY; ...

First meeting - tentative number of local participants (place of work in Leipzig, no travel costs):

Format: Only one number, no remarks

[   ]
